The PMO Failure Mode Nobody Talks About

Syed Umair Shoaiby

Technical Program Manager at Cirrus Logic | Leading Semiconductor Silicon NPI from Tape-out to Production | AI...

June 2, 2026

95% of enterprise GenAI pilots delivered zero P&L impact last year.

That is MIT's number, not a skeptic's.

And here is what nobody says about the 5% that worked. They were not
